

No Fruit. Just pure Veggie Love. This goddess of a juice is packed full of vitamins B, C, K and A and loads of minerals that will support your immune system and help your hair, skin and eyes. It also contains iron, folate and calcium, an ideal tonic for pregnant women.

Be Nice to You... Take a moment. Be aware of your posture. Sit or stand just that little bit taller. Now relax your jaw and take 3 giant belly breaths and drop your shoulders. Beam positive energy to whatever that might be. Trust that this energy will reverberate back to you. Be the energy you want to see in this world.

Be Nice 3 day Reset.
Lighter. Brighter. Back in Balance.

The Balance in life is between
Naughty + Nice.

3 DAY RESET

We took bushels and bushels of leafy loveliness and cold pressed them to make this refreshing and nourishing juice. We like to think it's like salad in a bottle. Kale is one of the most nutritionally dense foods on the planet, and when paired with lettuce, lemon and parsley, it actually tastes rather nice.
